Steps To Place Your Print Order with Natural Bliss Photography

Before you begin ... make sure you have a Photographer's Print Release if your photos were professionally taken by a different photographer other than Choua of Natural Bliss Photography. Choua of Natural Bliss Photography has the right to refused service if you are unable to show proof of photographer's print release.

1	Using the list from above, determine what size and type (Regular or Deep Matte) you'd like for your image
2	If your photos were not taken by Choua of Natural Bliss Photography, Email or Facebook Message Natural Bliss Photography your list, remember to include the image you'd like. You can email the list or image(s) to: naturalblissphotography@gmail.com . If you are emailing your images over, do note that your image(s) size and quality size may be automatically compressed and may effect printing quality, especially higher print size, such as 20x20 and up.
3	Choua will calculate your total and will provide a quote for you to review and approve. This is your opportunity to make changes if necessary.
4	After approving/making changes to the quote, Choua will send you an invoice to your Email address from Pay Pal (Please provide your email if you haven't done so).
5	Check your email for the invoice. You can pay the invoice with a CC, Debit or Pay Pal account. You do not need to have a Pay Pal account to pay the invoice.
6	Once payment is received, Choua will place the order for your desired images and prints.
7	It will take approximately 4-5 days for the prints to arrive, if it is a large order, I may take 7
8	Once arrive, Choua will do a thorough quality inspection to make sure it passes the highest quality.
9	Once passes, she will ship the photo package out to you or you may pick it up if you live in the area where Choua resides.
10	Once you receive your prints, you can start framing your prints!
